# Keeping Up with CorClub

Your exclusive access to upcoming news, trips, and resources for CorClub members

Dear CorClub Members,

It seems like forever since I've seen some of you. The summer is whizzing by. We've taken so many adventures together, that it was a struggle to plan next year's schedule. We all put our heads together and finally came up with some great trips. Attend one of our upcoming picnics to be the first to know where we are going in 2025.

Wow!! What a trip to Up North in Michigan we had. Our first stop was at Jacob Leinenkugel's Brewery and Lodge. We were shown how they brew their beer and were able to sample some. Then it was off to the World War II Museum where they have the largest standing steam-driven pumping engine ever built in the United States. We visited Munising, MI to see the Pictured Rocks and took a cruise to view the sandstones cliffs, a waterfall, and saw how the power of Lake Superior shapes the coast. Later we took a ferry ride over to Mackinac Island and ate at the Grand Hotel, a carriage ride, enjoyed delicious fudge, and took in the sights while shopping. Our trip concluded with a cruise on the La Crosse Queen along the Mississippi River. We had an awesome group and enjoyed a lot of laughter and fun. Check out photos from our trip on the next page.

Remember, if you haven't used your account in the last six months you need to make a deposit, so you don't get a dormant fee. Also, if you are thinking about traveling with us on one of our trips you need to let us know as soon as possible. Once we reach deadlines, we return any unused rooms, tickets, and flights, so don't miss out on the fun!

Until next time,

*Cindy Torgerson*

## GET TO KNOW: CINDY TORGERSON

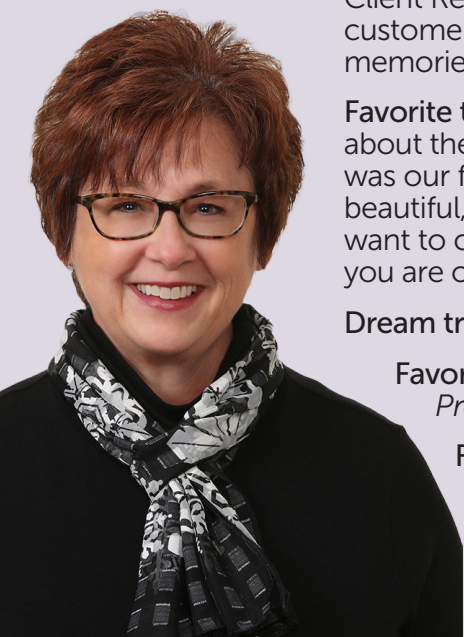

**Describe your work with CorTrust:** I am the South Dakota CorClub Executive Director and a Client Relationship Manager with CorTrust Wealth Management. Planning CorClub trips for our customers is the fun part of what I do. Taking clients to wonderful destinations, while creating memories, and building new friendships is an awesome perk of my job.

**Favorite trip:** Trying to pick a favorite trip is hard to do, as they all have something special about them. I would have to say the Rhine River and Moselle River Cruise was my favorite. This was our first river cruise and had no idea what to expect, it was fantastic, the countryside was beautiful, the ports were very interesting, the staff was amazing, and so much fun. We didn't want to come home! We were in a different port each morning and you don't even know that you are on water.

**Dream travel destination:** My dream vacation is to visit Switzerland and the Alps.

**Favorite movie:** I love a good movie and curling up with a blanket. My favorite movies are *Pretty Woman* or *Mama Mia*, the music just gets you moving.

**Fun fact:** We have been blessed with seven grandchildren that I love to go watch their activities. They range from age two to 10 and I don't miss many of their extracurriculars. They participate in basketball, soccer, baseball, softball, showing cattle, and shooting sports. I also like to read, plant flowers, and bake.
