

Spring 2024

Keeping Up with CorClub

Your exclusive access to upcoming news, trips, and resources for CorClub members

Hello CorClub Members,

Spring has sprung very early this year and summer will be here in no time! Summer brings our CorClub picnics and travel showcases. We currently have four picnic dates set, so mark your calendars to attend one of these fun filled events. Check out page two for picnic dates, and be on the lookout for more information soon!

In preparing for upcoming trips, I had the exclusive opportunity to attend a peer conference in Chicago with Heritage Clubs International. CorTrust Bank was one of a limited amount of community banks to be invited as a member of this association. Heritage Club brings bank travel directors, preferred tour operators who specialize in bank club travel, and destination marketing organizations together in one place to discuss the best options for bank travel club members. I am currently working towards becoming a certified bank travel club director.

As we prepare for 2025 trip planning, input from our members is crucial to crafting the trips you want to travel with us on. Check your email for a link to a survey to help us plan your next exclusive adventure.

Why you should invest in your next adventure with CorClub:

Similar to how investment advisors analyze market trends, our CorClub professionals study travel patterns, destination popularity, and emerging travel trends. We skillfully guide our club members toward destinations and experiences that promise the highest returns in terms of cultural enrichment, relaxation, and personal growth.

Take advantage of one of the perks of CorClub and let us plan your trip for you. Sign up for a trip today and let us do all the work so you can enjoy making memories.

Inside this newsletter you'll find information on three day trips, plus the larger trips we have planned this year.

Until next time,

Kris Jensen

Executive CorClub Director
