Keeping Up with CorClub

Your exclusive access to upcoming news, trips, and resources for CorClub members

Dear CorClub Members,

Wow! Mother nature is surely confusing us this year. One day we have spring and the next day it's a full-blown blizzard. Thank goodness it didn't last long. Crazy that's life in South Dakota never knowing what to expect.

We had a group spend 12 days on a Hawaiian cruise. They had a wonderful time together and a recap of their trip from Joan Andersen is on page three.

In June we will be traveling to Up North in Michigan and the bus is full unless you want to ride with the luggage and even that will be limited! Later this year we have our trip in December to the Music Cities: Branson, Memphis, and Nashville. We have quite a mixture of things to do on this trip. Sign up today to join us as this trip is over half full already.

Take advantage of one of the perks of CorClub and let us plan your trip for you. Sign up for a trip today and let us do all the work so you can enjoy making memories. Each trip includes a booklet with details on where and when you need to be, details about the activities planned that day, and more. Rest assured, everything will be handled for you!

Until next time,

Cindy Torgerson

Favorite trip: My favorite trip with CorClub was the Canadian Rockies and going to the Calgary Stampede. The scenery was breathtaking. We had an adventure driving all night around a huge fire that broke out when we headed to the Glacier that day. We drove an extra five hours around it but everyone was safe and sound and very tired.

Dream travel destination: My dream travel destination is any place warm with sandy beaches, lots of sun, and some great umbrella drinks.

Favorite holiday: My favorite holiday is Christmas as I love to decorate my home, buy and wrap presents, and listen to Christmas music as I bake. I love having our two daughters, son-in-laws and now, soon to be three grand babies come to celebrate with us. It doesn't matter where we celebrate just as long as I am with my family.

How long have you worked with CorTrust: I have worked at CorTrust Bank for 16 years. I have been working with my husband, Dana, since 1999 as his client relationship manager with Raymond James Financial Services.

Fun fact: We live in Akaska, SD and travel to Aberdeen three days a week which is 87 miles one way. The other two days we travel to the Bowdle branch which is only 31 miles from home.

HAWAII CRUISE RECAP

Pearl Harbor USS Arizona
Memorial

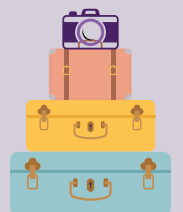

Fun group photo on the ship

We had a wonderful group of CorClub members set sail on a Hawaiian adventure in February. We began the journey in Honolulu for two days at the Outrigger Resort on Waikiki Beach. Travelers had time to explore the beach, go shopping, or just relax. We were able to spend some time of reflection at the Pearl Harbor Memorial before we boarded the Pride of America cruise ship. While on the cruise we enjoyed and explored the ports on the islands of Oahu, Maui, Hawaii, and Kauai. The travelers were kept very busy exploring the islands on excursions, going to a luau, whale watching, and hiking. Others took part in island tours by motor coach, glass bottom boats, helicopters, and even submarines! On board the ship we spent time relaxing in the sun and enjoying all the options of international cuisine and the nightly entertainment. Members enjoyed several meals together as a group and were able to get acquainted with each other and share stories of our adventures! We returned home with great memories and new friendships!
