Hello CorClub Members,

I hope you all survived the heat we had. That was some hot weather! It's hard to believe summer is coming to an end and schools are back in session – let the busyness start. I have four little grandchildren that are participating in either soccer or football, so my running around will begin.

Forty-three of us just got back from a breath-taking cruise to Iceland, Norway, the Netherlands, Amsterdam, and London. We started out in Iceland and after a seven hour flight, and being up for 24 hours, our first stop to the Sky Lagoon Spa was very welcomed to soak our stiff joints. Then it was time to get on the ship to start the cruising. Our first stop was Akureyri, Iceland, where we saw a waterfall (Goðafoss Falls) like the Niagara Falls, ancient Pseudo Craters, and imaginative lava formations.

Off to Ålesund, Norway where some went whale watching, some went to the botanical gardens, and some went into the town. Then it was off to Geiranger, Norway, which was my favorite place. This is a very quaint village nestled in a valley. Next up: Bergen, Norway. Bergen is nestled in between seven mountains, seven fjords, and the North Sea. Off to Amsterdam where I saw so many bikes. Our members experienced the city in many different ways: some enjoyed a canal ride, found the Anne Frank House, rode bikes, and saw the working windmills. Bruges was the next stop offering plenty of chocolate stores and Belgium waffles. Our last stop was London and where we said goodbye to the ship. We did a tour of the city and saw the Westminster Abbey, Buckingham Palace, the changing of the guards, the Buckingham Palace Monument, the Tower Bridge, London Bridge and the church where Charles and Diana got married. What an amazing trip!!

Coming up is our December 13-17 trip to Christmas in Kansas City. We do have a few spots left, so come and join us to get in the holiday spirit. The deadline for this trip is October 10th. In the new year, we have the Hawaiian Cruise. There are spots left, however be sure to register by the October deadline. June 16-22 we are heading to Up North in Michigan. You will need your passport as we will be in Sault Ste. Marie, Ontario. Get out your boots and hats as we head to picturesque Wyoming, September 9-16. Seven days of fun in Yellowstone National Park, The Cody Cattle Co., Mount Rushmore, and Dignity of Earth and Sky. Our last trip of 2024 is to the Music Cities on December 2-9, so get your dancing shoes on as we travel to Branson – Sight & Sound, Graceland, Broadway Street, Mark Twain Museum, and many other attractions.
