Keeping Up with CorClub

Your exclusive access to upcoming news, trips, and resources for CorClub members

Hello CorClub Members,

As the days grow shorter and mornings have a refreshing crispness, the shift from summer to fall is upon us. This time of the year signals a transformation into new beginnings for many of us and closure of a fun filled summer with family and friends. Whatever it brings for each of you, embrace the changes with open minds and hearts.

As we speak of changes, CorClub had a big change on August 1. Nancy Braastad, our director for many metro branches, retired from her career in banking. Nancy brought an energy with her leadership that will certainly be missed. Please wish Nancy well in her retirement and we look forward to her joining us on some of our trips!

Jeanie and I had such a wonderful day with everyone who joined us for the Stillwater Trip. The trolley tour was so educational, as our guide was not only very knowledgeable about the rich history of Stillwater, but fun and entertaining. The paddleboat ride was relaxing while dining and viewing the St. Croix River. We also enjoyed a tour at St. Croix Winery followed by a wine and cheese tasting.

If you haven't heard, our two big trips for next year include Alabama's Gulf Shores in April and Rhode Island Rhythms in September. We are joining with our South Dakota CorClub Members for these trips. Check out the details on both of these trips on page three.
