Keeping Up with CorClub

Your exclusive access to upcoming news, trips, and resources for CorClub members

Greeting CorClub Members,

I don't know about you, but things seem to be speeding right along. Once we have the Corn Palace Festival in Mitchell, summer is over, and all the school activities are in full swing. I can't believe I have been going to football games already for my grandson who is a 5th grader. The one good thing about summer ending is it usually means road construction is coming to an end. It doesn't seem to matter where you go, you run into some kind of construction. Sometimes it is a maze to find where you need to be.

The New Year is fast approaching! If you haven't heard, our two big trips for next year include Alabama's Gulf Shores in April and Rhode Island Rhythms in September. Check out the details on both of these trips on page three.

We have a full bus heading to the Music Cities for some Christmas spirits and lights in December. We'll share highlights of the trip in the next newsletter. Let's hope we have a very long fall. People keep telling me that with the fog we had, we are going to have some kind of moisture in November. I'm optimistic the moisture will be rain and not that white stuff. Hope everyone is staying healthy!

Until next time,

Cindy Torgerson

APPLE BREAD RECIPE & MEET YOUR CORCLUB TEAM

CINNAMON SWIRL APPLE BREAD

Ingredients

½ cup brown sugar	1 teaspoon vanilla extract
1 ½ teaspoons ground cinnamon	1 ½ cups all purpose flour
2 large eggs room temperature	1 teaspoon baking powder
½ cup granulated sugar	½ teaspoon baking soda
½ cup butter melted	¼ teaspoon salt
2 cups chopped apples	

- Preheat oven to 350°F. Grease and flour an 8 x 5 inch loaf pan or line with parchment paper. Set aside.
- In a small bowl, whisk together brown sugar and cinnamon and set aside.
- Whisk eggs and granulated sugar together in a large mixing bowl.
- Whisk in melted butter and vanilla extract until thoroughly combined.
- Stir in all purpose flour, baking powder, baking soda and salt just until combined. The batter will be very thick. Fold in chopped apples.
- Add half of the batter to the prepared loaf pan. Sprinkle about three quarters of the brown sugar mixture on top of the batter.
- Spread the remaining batter carefully on top of the brown sugar mixture. Sprinkle remaining brown sugar mixture on top and use a knife or spoon to gently swirl it into the top layer.
- Bake for 35 to 45 minutes or until lightly golden on top and an inserted toothpick comes out clean or with just a few moist crumbs. (If bread is browning too quickly, tent with foil for the last 10 to 15 minutes.)
- Let bread cool completely before slicing and serving.
