

Keeping Up With CorClub

Your exclusive access to upcoming news, trips, and resources

Summer 2026

Greetings CorClub Members,

This is a very busy time of year. We are wrapping up graduations, the end of the school year, sports seasons, spring concerts, and many other activities. Now we are rolling right into another busy season, summer! Between vacations, baseball and softball games, and all the activities your children and grandchildren are involved in, the calendar fills up quickly. Add family reunions and weddings to the mix, and it can feel nonstop.

I hope this message finds you in good health, enjoying life, making time to travel with CorClub, or simply taking some well-deserved time for yourself. We are excited to see everyone at the upcoming CorClub picnics. Simply RSVP to your area's picnic by contacting your local CorClub Director. In June, a group of our members attended a Sail250®

Virginia trip to help celebrate America's 250th anniversary. Check out photos from our trip on the next page.

The upcoming Pacific Northwest and Victoria trip in August 2026 is sold out! Stay tuned for a recap of that trip in the next newsletter. In December, we will travel to Des Moines, Iowa to celebrate the holiday season. The trip will include a dinner theater performance, a visit to see the lights at the Iowa Capitol, a traditional Christkindl Market, similar to those found throughout Europe, a visit to a botanical garden, and much more. Join us for three festive and fun-filled days! More information will be available soon.

Believe it or not, we are already planning trips for 2027, and registrations are coming in strong. If you're interested in one of these trips, be sure to sign up early. Members who register for Spotlight on New York City before October 15, 2026, will receive a \$200 discount. This would make a wonderful mother-daughter getaway. It's a shorter trip, but it's packed with highlights, including two Broadway shows of your choice, the Statue of Liberty, Ellis Island, the 9/11 Memorial, the 9/11 Museum, Greenwich Village, and Wall Street. Bring a comfortable pair of walking shoes and join us as we explore one of the world's most exciting cities! Space is limited, so don't wait too long to reserve your spot.

Our Alaska trip is also filling up quickly. Highlights include three days on land, featuring a tour of Anchorage, a ride on the Alyeska Aerial Tram, and opportunities to see bears, moose, and Alaska's breathtaking scenery. We will then embark on a seven-day cruise with stops at several beautiful ports along the way. If you would like a brochure or an application for either trip, please give your local CorClub Director or me a call, and we would be happy to help you.

Enjoy your summer, and stay cool during these hot days!
