Fall 2025

Greetings CorClub Members,

As the days grow shorter and mornings have a refreshing crispness, the shift from summer to fall is upon us. This time of the year signals a transformation into new beginnings for many of us and closure of a fun filled summer with family and friends. Whatever it brings for each of you, embrace the changes with open minds and hearts.

Heavenly Sips and Sculpted Bliss

What a beautiful summer day we enjoyed on our Heavenly Sips adventure. Our first stop was a tour of St. Mary's Basilica in Minneapolis. Next was a leisurely stroll through the Minneapolis Sculpture Garden featuring the iconic Spoonbridge and Cherry Statue. The walking was a great way to work up our appetites for our lunch at the original Buca di Peppi in downtown. The remainder of our afternoon was spent with our step-on tour guide, who gave us an amazing tour of three local distilleries, and shared knowledge of the areas of the Twin Cities surrounding the distillery locations. Check out page two for photos from our day trip.

Rhode Island Trip

By the time most of you read this, our members will have returned from the Rhode Island Rhythms Tour. I can't wait to hear about their awesome experiences in the tiny state that makes a big impression!

Fraud and Theft Prevention

Coming up on Thursday, October 30, the McLeod Sheriff's Office will be hosting an informational gathering at the Hutchinson Event Center with fraud and theft prevention topics. Please look for upcoming information on the exact times.

2026 Travel

Don't forget, we have three great trips for you to enjoy next year. Remember, we did all the planning and we took care of everything. All you must do is get on the bus or plane and relax, make new friends, create memories of a lifetime, and most of all, just enjoy yourself. Some of the trips are filling up already, so be sure to get signed up if you haven't done so.

Until Next Time,

Kris Jensen

DID YOU KNOW?

The Basilica of Saint Mary in Minneapolis is the first Basilica in the United States. Recognized as one of the finest examples of Beaux Arts architecture in the country, the Basilica of Saint Mary was constructed between 1907 and 1915. It was raised to the rank of minor basilica by Pope Pius XI in 1926 and was named to the National Register of Historic Places in 1975.
